Chair's Announcement

Greetings Vendors, Volunteers, Instructors, Patrons, and Fans of Fiber Fusion Northwest,

We've been silent for a few months, but we've been anything but idle.

Fiber Fusion is full steam ahead for our new dates, June 4th and 5th, 2022. Come visit us on the first weekend in June at the Evergreen State Fairgrounds and enjoy a warmer, sunnier Fiber Fusion.

Along with the new dates, and our new buildings, we've also given our website a massive makeover - come check it out (https://www.fiberfusion.net/). We hope you'll find it a smoother experience all around. If you find mistakes and let us know at info@fiberfusion.net, you'll get a gold star!

Vendor registration is now open for returning vendors, and we continue to accept New Vendor jury submissions. If you'd like to vend at Fiber Fusion, hop on over to our vendor section and register. Questions can be sent to vendorinfo@fiberfusion.net.

Class registration is a bit behind, but it will be opening shortly. With all this change, something was going to slip, right? We'll send another update the minute it is open!

If you'd like to help out Fiber Fusion, there are a few ways you can do that.

First, our lovely planning committee has a few year-round volunteer positions open:

- Class Coordination Team member
- Weebly Website Editor
- Sponsorships Coordinator

If you are interested in any of these, you can go to the 'Support FFNW' section of the website and look under 'Volunteer'.

Another great way to help Fiber Fusion is to become a Sponsor. We are an all volunteer event, and we work to keep costs low. Much like our Fundraisers, Sponsorships make this event happen.

We hope everyone is well and happy and we look forward to seeing you this June!

-Heidi Lucey

Fiber Fusion Chair and Vendor Co-Coordinator

Looking for Volunteers

The Fiber Fusion Planning Team is always looking for volunteers before the event, during set-up, during the event, and during tear-down. We are also looking for people to join our Planning Team by taking on a position within the team!

Please sign up online at https://www.fiberfusion.net/volunteer1.html
