Fleece Show

Spend some time at the Wool & Fleece Show . Our Judge, Allen Mattson, will be evaluating all types of fiber. You are invited to observe the judging up-close and hear Allen's comments as he evaluates each fleece. Judging starts Saturday morning and continues through the day until all fleeces are evaluated. **After each class is judged, fleeces will be available for purchase.** Take advantage of this wonderful learning experience - and maybe even purchase a fleece!

All types of fiber will be judged including: wool, mohair, cashmere, pygora, alpaca, llama, & angora (rabbit).

Fleece Sale

Fiber Fusion's Fleece Sale will include both judged fleeces and unjudged fleeces of all types. While both judged and unjudged fleeces will be available, buyers benefit by knowing that the fleeces from the 'Fleece Show' have been subjected to critical evaluation.

After each individual class has been judged, the show fleeces in that class that are designated for sale will be made available for immediate purchase.

SCHEDULE:

Saturday 9:00 - continuing throughout the day until approx. 4:00:

Fleece Show begins. Order of judging starts with fine white wool. A complete show order will be posted at the Fleece Show by 9:00.

Saturday 5:00 - 6:00 AND **Sunday 9:00 - 4:30:**

All remaining show fleeces designated for sale plus all unjudged fleeces will be available for purchase.

Visit the Pavilion for judging, viewing, and sales.
