## Fiber Fusion Northwest 2020

It's clear 2020 is turning into an unusual year.

We are sad to announce we've decided the best course of action is to focus on public safety and cancel Fiber Fusion 2020 at this time.

We know this seems early, but the amount of planning to bring this festival into fruition is huge. Canceling early allows us time to think outside of the box and bring Fiber Fusion Northwest to our fiber community online!

As the last few weeks have taught us, our limitations are never hampered by the ability to physically get together - only by our desire to learn and explore.

Of course as always, we welcome volunteers, ideas, and expertise. As always, our goal is to educate and bring together our diverse community of fiber artists, producers and the public.

We hope you all join us online this year. Please keep an eye out on our website, our Facebook page, Instagram, and Ravelry for announcements. As we think our way out of the box, we'll let you know what we find.

We are already proceeding with plans to resume our in-person event again in October, 2021, when we can look forward to seeing you all in person again!
