## Announcement

**Greetings Vendors, Volunteers, Instructors,  
Patrons, and Fans of Fiber Fusion Northwest,**

This has been a trying time for everyone, and as we start to get back on our feet we are sure to step on some rocks in the road.

We have learned that OFFF (Oregon Flock and Fiber Festival) is moving to our traditional dates (the third weekend of October) due to venue issues. We are glad to see them resuming their event, but regret the hard choices they have been forced to make.

They have signed a multi-year contract for our traditional weekend, so we are grappling with how best to serve the fiber community. Unfortunately, we are unable to change dates this year as our fairground is booked solid, so that option is off the table.

We would like you to help us shape the future of Fiber Fusion.

### Greetings Vendors

We are trying to find solutions that are as equitable to all as possible given this difficult situation. If you have any suggestions, or question, please let us know!

Currently, we are looking at specific ways that vendors who attend both event are impacted.

For those who vended at both FFW and OFF in 2019:

- We will allow cancellations this year with a full refund through August 1st .
- We will hold a guaranteed spot for 2022 if you are local to OFFF and choose to vend at their event in 2021.

We hope this helps.

Wishing you all well and a Happy 2021,

Heidi Lucey  
Fiber Fusion Chairman
