**Chair's Announcement**

**Greetings Vendors, Volunteers, Instructors, Patrons, and Fans of Fiber Fusion Northwest,**

It is with deepest regret that we bring you this news. Fiber Fusion Northwest 2021 has been cancelled.

When we last made the announcement to go forward with 2021, the Covid-19 situation and our volunteer numbers were very different from what we are seeing now. The Delta variant that is happening throughout the state and region has impacted our show in many ways, the hardest hit is our volunteers. It is impossible to run our show without those volunteers. Additionally, we have had many cancellations from vendors, judges, and others. After an emergency vote, our Planning Team has decided to cancel this year's show and focus on our June 2022 show.

Yes, you heard that correctly, we are moving our show to the first weekend of June. Thankfully, it allows us to have open doors, spread out farther, have much better weather, and avoid having a festival on the cusp of flu season as well.

Come see us in better weather on **June 4th and 5th in 2022!**

**\*\*\*Vendors, Instructors, and Students will all be notified of the next steps regarding booth spaces and refunds. Please keep an eye on your email.\*\*\***

**Updates are Rampant!**

**We are working on updating our website to reflect the changes for 2022. Please be patient with us.... for at least a week ;p**

**More Sad News:**

Lisa Lewis has stepped down as Class Coordinator for Fiber Fusion.

Lisa was one of the longest-standing members of the Planning Team, and was fundamental in shaping the event that Fiber Fusion has become. I've learned a lot from working with her over the years. My trust in her commitment and follow-through has never faltered. Her classes delighted many and we rarely saw the mountains of work she carried. It was simply handled and along the way she always offered to help others. Her touch is seen in every aspect of our event, and the legacy of her efforts will be felt for many years to come. It is with sadness that I see her go.

Please join me in wishing Lisa the best. We will remember your immense contribution with warm thoughts and memories. Best wishes to you for the future.

With respect,  
Heidi Lucey

**Looking for Volunteers**

The Fiber Fusion Planning Team is looking for volunteers before the event, during set-up, during the event, and during tear-down.
